Subject - Letter No. 69/9 dated 1st July 1903 from the Inspector General of Police in Mysore, requesting the issue of orders for placing the unexpended balance of Rs 15812 sanctioned for the construction of quarters for the Supt of Police, Kolar Gold Fields, at the disposal of the Chief Engineer.

In Government Proceedings No. 3257-60/J.342 dated 31st August 1900, Government sanctioned among other things the construction of quarters for the Superintendent of Police, Kolar Gold Fields at a cost of Rs 10,000. Subsequently the Inspector General of Police submitted for sanction an Estimate for Rs 17096 for the above work received from the Chief Engineer, but Government disallowed certain items, and on receipt of full explanation as to the necessity for exceeding

exceeding the original grant, sanctioned the Estimate as revised for Rs 15812 (vide Govt Proceedings No. 1603-6 / G.1373 dated 29th March 1902)

From the Chief Engineer's letter No. 3204 dated 19th June 1903 to the Inspector General of Police, it appears that a sum of Rs 12673 has been expended up to the end of June 1902 and that the balance, Rs 3139 is expected to be expended during the official year 1902-03 (now closed). The Chief Engineer therefore requests that this amount, viz Rs 3139, may be placed at the disposal of P.W. Department from the Police Budget in order to enable the Comptroller to accept that year's outlay of the work to that extent.

The Inspector General of Police requests Government to issue necessary instructions to the Comptroller.

In the Budget for 1901-02, a sum of Rs 10,000 was provided for this work

work. This was included in Rs 65,000 pro-
-vided for under the head (1) Con-
-struction and Repairs, (8) Miscellaneous
charges of the Kolar Gold Fields Police
in the Police Budget for 1901-1902.
No further provision for the above work
appears to have been made in the
Police Budget for 1902-03 or in that
of the present official year (1903-1904)
Now that the year has closed, the
Comptroller may be asked to state
whether there are savings in the Police
or other Budget for the last offl year,
from which the required amount
can be met.
